<b>Residence</b> Standard Connection Exchange line <small>(where the telephone line cannot be activated remotely, but requires manual intervention by an eircom technician, whether inside or outside of the premises where the service is required)</small>	zero		107.43	121.93	20.96	25.47
<b>Residence Removal of Exchange Line</b> Standard Connection Exchange line <small>(where the telephone line cannot be activated remotely, but requires manual intervention by an eircom technician, whether inside or outside of the premises where the service is required)</small>	zero		107.43	121.93	20.96	25.47

1. The offer applies to Residential Standard PSTN Connection and Residential Standard PSTN Removal Orders received during the promotional period. A maximum of one order per account may avail of the promotional offer.
2. The offer applies to Residential Accounts only. The line must be retained on a Residential Account for a minimum period of six months. If the line is transferred to a Business Account, or ceased and then re-instated on a Business Account, eircom reserves the right to apply the Standard fee of €107.43 (ex VAT).
3. Normal line rental charges will apply.
4. eircom reserves the right to withdraw this offering by giving relevant notice in accordance with normal requirements.
5. Usage of eircom PSTN service is deemed to be acceptance of the eircom General Terms and Conditions of Telephone Service.
6. A Standard PSTN Connection is one where the telephone service cannot be activated remotely, but requires manual intervention by an eircom technician, whether inside or outside of the premises where the service is required.
7. Under the Universal Service Obligation (USO) regulations, eircom is obliged to provide service up to a "cost of provision" threshold of €7,000. For the duration of the above promotion, the connection fee of €107.43 (ex VAT) is waived, but this threshold will remain in place. Therefore, where the cost to eircom of provisioning service exceeds €7,000, the applicant will be required to meet the costs above that threshold in order for the service to be provided.
